MXN539 (about USD27)

Travel Planner

ITINERARY

Day	Date	Things to do, see & experience	Notes
		Set out itinerary in chronological order	e.g. accommodation details, transport etc

Travel Planner

TRAVELLER'S CHECKLIST

- Check passport expiry
- Check destination country visa requirements
- Check travel advisories for destination
- Purchase travel insurance
- Buy local currency for your destination or decide what other payment method you might use e.g. credit card
- Make a physical copy of you itinerary, passport and visa and give to a trusted relative or friend
- Place an electronic copy of your itinerary, passport and visa into your email, Dropbox or some other secure cloud storage that you can access from your destination online
- Contact your bank and let them know when and where you are travelling, so they don't freeze your cards
- Organise pet-sitting
- Recruit someone (trusted friend or neighbour) to water your plants and collect your mail
- Consult doctor or travel clinic for health and vaccination information

PRE-DEPARTURE CHECKLIST

- Remove unnecessary items from your wallet
- Pay upcoming bills or schedule automatic payments
- Clear out perishable food items and empty your rubbish bin
- Turn off and unplug unnecessary appliances to save money on your energy bill
- Set your thermostat appropriately
- Turn off your water main where appropriate (risk of freezing/bursting in winter)

BASIC PHRASES

Hello _____
